Bleecker Street's about to get a bit more fragrant. [The Shophound](#) spotted signage for Parisian perfumer **Annick Goutal**, which is currently only available at **Barneys**.

The store is in good company in the neighborhood—the blog notes that there's already **Nars**, **Diptyque**, **M.A.C.**, **Jo Malone**, **Marc Jacobs Cosmetics**, and **Bond No.9** stores in the area. It's slated for an unspecified spring arrival but customers-to-be can already secure an invite to the **grand opening party** by scanning the QR code in the window or visiting their site.
